Everyone will enjoy riding in the spacious interior of the 2020 Chrysler 300. A leather-wrapped steering wheel comes standard and feels great in the hands as well. The 2020 Chrysler 300 is a large sedan built on a global platform with the EMP2 modular architecture. Due to this, the car received space like a crossover, despite its narrower and longer body than its predecessor. The car also has rear-wheel drive, all-wheel drive and an 8-speed automatic. The cabin of the 2020 Chrysler 300 will have everything you need for a comfortable ride. It is worth noting that the driver and passenger will not feel like they are in jail.
