Can I download a pdf file from your website?More Q: Find a workable preposition for "ohne Angabe ihres

Namens"? I need a preposition that would translate the following phrase: It is important to not address her without naming her. So far I've come up with ohne Angabe ihres Namens. . After consulting the dictionary, I have the following options: ohne bei ihrem Namen, ohne zu ihrem Namen, ohne mit ihrem Namen, ohne an ihrem Namen What are the differences between the options and how can I spot one from the other? A: If you look at the definitions of these verbs you can tell the difference. The options I list are as follows: bei zu mit an In your example: ohne Angabe ihres Namens -> "without her name" The difference: ohne bei ihrem Namen: isn't possible in this situation. ohne zu ihrem Namen: wouldn't be a natural translation ohne mit i 570a42141b
