It's a time of the year where teams and fans alike can look back and examine how good they were and which ones were good enough to make the playoffs. Some teams were lucky and found a few free agents who enhanced their team. Others spent big money and were let down by the free-agent signings they made. This year, there was not a single team in the division that was good enough to get into the playoffs. It's that simple. And here's the good news for them: it's time to look ahead to the draft and this class will be loaded with talent. You'll notice that many of the most talked-about players on this 570a42141b
