Reviews: - The Church's latest offering will find its way to Steam on June 23, 2017. So what are you waiting for? Go out and buy it now! - I did get to try it out, but I can't say anything about the gameplay. Thanks to NVIDIA, I got to enjoy a demo of the game on a GeForce GTX 1080. So the game will look beautiful, but let's see how it plays! I've been playing a little bit more with this PC version, just for testing purposes. The gaming experience here is a bit
