About the book: "How to deal with bad habits?" - This is a continuation of the wonderful book "How to quit smoking?" and a book in which the author Nikolai Konkov talked about how to quit smoking for the benefit of your health. The book contains the necessary tips that you have never heard of before, and most importantly - gives you an effective, proven algorithm for getting rid of bad habits. Have you ever had a craving for sweets, are you not disturbed by bouts of hunger and you do not know what obesity is? Then this book is for you! After reading it, you will learn about: what can you do to lose weight; why many people lead to obesity; how to minimize the devastating effects of obesity; what needs to be done in order not to push a person to alcohol, smoking and cigarettes. It may seem that this book is popular. However, this is not the case, since this is completely scientific and evidence-based information that will help you use all this in practice. The book is intended for a wide range of readers and their loved ones, including doctors. For you in the book: * self-treatment of obesity of any severity * recommendations for rational nutrition * lifestyle * ethical principles * methods of self-development If you have questions or suggestions about our books, please email
