Rise, Tarnished, and be guided by grace to Brandish the power of the Elden Ring Torrent Download and become an Elden Lord in the Lands Between. The story for the New Fantasy Action RPG is set in the Lands Between, a region that has been abandoned due to rumors of the existence of a demon king. It is a world where two opposing factions, the Imps and the Elites, exist. However, both of them wish for an equal treaty. Then, a rumor about a key to the Elden Ring is spread among the Imps and the Elites. The rumor says that such a key exists, which shows an outcome that each side has wished for. This begins a war between the two, with the blessings of the Elden Ring. In this war, you must become the leader of either the Imps or the Elites to become an Elden Lord. The game opens with a game introduction. You should be able to start playing the game by accessing the game introduction. Change Character During Online Play You can choose any character during the online mode. However, you cannot change the character during the single player mode. Map Movement During Playing You can change the map movement of the character in the game depending on the operation of the camera control. When Firing: During the Online Mode, you will be able to control the camera operation while you are firing. When You Switch Maps: During the Online Mode, you can freely switch maps. Audio Play in the Game You can play an audio file in the game. The audio files are referenced from the sound files in the game for 2 different languages (English and Japanese). Audio Play of Player's Own Skill/Action You can play an audio file that is related to your own skill/action. Audio Play with Music You can play a music file in the game. Audio Play in the Tutorial When you access the tutorial, you can play an audio file related to the tutorial. Playback Button Layout You can display the buttons on the bottom of the screen. The mode will be changed between the character mode and the battle mode. Inventory System Inventory is displayed on the screen. You can freely change the display type of the inventory. You can use the following features. Reworking of the inventory screen Flexible display order

What's new:

> Skill Name: Cast Zero. > Cast Ability: Use a non-chain skill when your HP drops below 100% and five or more members of your party are controlled by the enemy to cast an attack-boosting SFX skill on each enemy.

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

> Skill Name: Double Kill. > Cast Ability: Use an attack on the first enemy in a group of more than one member of your party and a one-hit skill on the second enemy in a group.
