Sherry Birkin (ä, ä,šäfäf¼äf»äf¼ä,äf³, SherÄ« BÄkin) is an American federal agent attached to the.LANSING, Mich. — A special election to replace Republican Rep. Justin Amash is coming in the midst of a hotly contested, and GOP-friendly, mid-term election fight over big-ticket government spending, federal health-care law and other issues. The five-term congressman from Cascade Township has long been the only GOP lawmaker openly questioning whether President Donald Trump committed impeachable offenses. Amash also calls himself a Libertarian and last year lambasted the U.S. government for waging “

Nothing but the highest quality Sherry Birkin Resident Evil 6 porn on Redtube! You know that little whiny cry you hear from a spoiled brat? That's what it sounds like to me when you hear Hillary Clinton, the presumptive Democratic nominee for president, complaining about the fact that Bernie Sanders supporters have been trashing her. As Trump's poll numbers rise on the down-low, Hillary may not be so confident about the outcome of the election as

she's making out. If she was confident, she wouldn't be moaning about the so-called "Bernie Bros" and "Bernie bashers" on Twitter. This is typical of a woman who believes that she should get everything she wants, regardless of what anyone else may think or want. During an interview with ABC's "This Week," Clinton was asked about the use of the word "hacker" in the wake of the FBI's announcement that they'd found classified information on Anthony Weiner's computer. "Well, look, first of all, there were no hacking attacks. That I can tell you," Hillary said. "And it's a pretty rare thing for a person who's not a high-tech expert to understand what happened in this case. But it certainly never should have happened. We've been through this too many times. I mean, I think the American people deserve to know the facts and I think it's important to get this matter behind us." From "it's a pretty rare thing" to "that's how we got here" is about as plausible as the Moon landing, so that remark about "that's how we got here" is simply unbelievable. Still, at least she admitted that "it certainly never should have happened." She also claimed that she's "never heard" anyone use the word "hack" to describe what went on here, but that doesn't mean that she hasn't heard some pretty offensive things written or said about Hillary. If someone has said something about hacking that you haven't heard, then ask yourself why. If you were to ask me, I'd say Hillary and Bernie's supporters have said a lot of vile things about each other over the last couple of weeks and Hillary is trying to lay down an even playing field for the

"To my fellow veterans I would say this.'Something is coming' - Trump presses China to end trade war HONG KONG (Reuters) - U.S. President Donald Trump promised China it could solve the trade dispute with Washington, but said he would take no deal from Beijing "if they don't treat us fairly". Trump and Chinese President Xi Jinping on Saturday kicked off a two-day summit at the start of the G20 leaders' meeting in Osaka, Japan. However, Trump made clear he expected some concessions from China - in both trade and on the South China Sea - ahead of
