ABOUT TAPROOT GAME: ROADMAP: Chapter 1: Build Your Base The lands between Tarnished and Elden are a land full of danger, both enemies and natural disasters. It is your job as a newly summoned warrior to gather the forces of a tarnished realm and get rid of the dangers that threaten the lands. Chapter 2: Find Your Battles This is a world where the Great War of the Lion and the Dragon is about to erupt! In order to protect the lands from the invading army of Lions, you will be sent out to "Find Battles" all over the lands. Chapter 3: The Land of Power You have just arrived at the lands between Tarnished and Elden. It's a world where the Great War between the Lion and the Dragon is about to begin. Your job as a newly summoned warrior is to gather the power of a tarnished realm in this new world. Chapter 4: Alliance of One Several new enemies from the Lion and the Dragon have emerged and now threaten the lands between Tarnished and Elden. Iru the White has set out on the great journey of "Finding Battles", but the times when he set out have passed. Chapter 5: More Battles! The Great War between the Lion and the Dragon has begun, Iru is off to find some more people to help him in his quest. All the battalions that have joined together to help Iru in his great venture are well supplied with power, but how can we know if Iru is really the right person for the job? Chapter 6: A New World Iru, accompanied by his companions, has joined the great adventure of finding Battles in the lands between Tarnished and Elden. Now that the great adventure has begun, we'll be getting some awesome new abilities. Chapter 7: An Evil Beast Swoops In After the Great War between the Lion and the Dragon began, the first battles have been fought. Iru set out to find new allies to battle for him but the battle for the lands is about to expand. The so-called "Count of No Regrets" has wreaked havoc in the land of Elden, and now threatens to sweep across the lands between Tarn

## STORY

The Elden Ring, an institution with incredible power, has spread itself throughout the multiverse of the Lands Between. It was an epochal event that shook the entirety of this world and created a vacuum that grew untold monsters and demons on. As if feeling the need to defeat the authority of this organization to which they have sworn loyalty, adventurers have been desperately throwing themselves into quests.

Start your adventure as one of these adventurers who lack the skills and the expertise to even make sense of what their purpose is! Your adventure will start out simple, but the path to destiny is quite long. Summon your skills and embrace the power of the Elden Ring to push forward on this journey!

## GRAPHICS and SOUNDS

The fantasy world of *Gladiatoria* is rendered with a stylish and ingenious art style. As the background landscape is textured by hand, the world of *Gladiatoria* feels even more intricate than real landscapes. The world and its various stories can be sorted into different areas, and the exploration of each area is greatly fun and rewarding. Completely change the perspective and enter the areas where dangerous enemies and large groups of monsters await you.

Play with a Playstation controller. You can experience the powerful "S" button that authenticates the usefulness of *Gladiatoria*, despite there being no button remapping.

"I enjoyed how the story kept me, and more so, the characters, interested in what was coming next, despite me already knowing the outcome. The characters are drawn in such a way that it is easy to sympathize with them." 9.6/10 - 18chan for Xbox "The tight story, the rich and beautiful environment, the fantastic and interesting turn of the game, and the soundtrack, made me feel like I was sucked into an RPG again. It's a common fantasy world and yet it is original enough to give off an awe-inspiring charm. The adventure and battles will keep you enthralled for hours. I truly, truly love Elden Ring." 9/10 - Destructoid "Elden Ring is an engaging story that leaves you care about its characters. I highly recommend it. The engaging story was wrapped in a beautiful world that made me feel like I was in a fantasy novel." 8.5/10 - IGN "The plot of the game is rich and full of mystery, the style is splendid and the world is vast. Thank you for developing this game!" 8.5/10 - Gameolux

Role of sulfur in redox and transport processes of polysaccharides. The development of polysaccharide based functional materials with improved performance and efficiency has been a topic of great interest during the past decades. Although there is a large literature describing the preparation and properties of sulfonated polysaccharides, the role of the sulfur in their electronic and transport properties is scarcely explored. This paper reviews the use of sulfonic groups to modify polysaccharide structures and the subsequent influence on transport and surface properties, aiming to shed light on the role of sulfur as a redox switch modulating the chain conformation and the structure of interfacial layers, directing the osmotic properties of the system and inducing the formation of segregated layers with specific functions.
