The tale of "The Elder Tale" draws up an action of the fantasy novel world "Gone with the Wind" by the American author

Margaret Mitchell, blending a high romance into a magic-filled conflict of master-servant and a "divine"-"demonic" battle. As a result, the storyline of the game goes in an adventure style that is replete with excitement. In addition, the Japanese developer Kizuna has not only brought the fantasy novel world of "Gone with the Wind" to the "Tale of 2" world, but also implemented a complex system that defines the game. Even if a player builds the protagonist and makes a game, you can enjoy the charm of a growing relationship that runs with it. By developing a high-growth strategic fantasy novel world, "The Elder Tale" invites a new experience that fans bff6bb2d33

What's new in Elden Ring:

■**Play-Enhancing Functionalities**

- Customize Instantly "Create Your Style". The character creation screen allows you to freely change the features of your character with just a few clicks. - Unique Class Overlays with Multiple Functions Each Class Overlay unlocks when you complete a Special Task related to that class. You can equip multiple Overlays to your character with the character creation screen, and they work together. For example, you can immediately attach Overlays for two different classes to your character. - Hand-drawn 3D Models A large variety of monsters, characters, and depictions of different places have been drawn in 3D. These dynamic rendering features will bring life to the landscape of the Lands Between. - Addictive Crawling System A system that is intuitive and was created with the purpose of making the "activity share experience."

■**On Wii U!**

Let your friends enjoy exciting sword-fighting action in this game using the GamePad. You can visit the Land of Midgard on the touchscreen, or go down the rabbit hole to explore the lands of Fendelgard and Embla.

■ **Pre-orders available**

Pre-orders are open to PC users through the Tašguns wo Neraeul, Tašgun wo Jenshin, Cyrild, and Cyrild II. The game will also be available for the Wii U system in Japan on April 1, 2013. Pre-orders in the EU will be available in the near future.
