Features Key:

New Story: An unprecedented story that brought the world of *The Tarnished Prince* to life.

Elden Ring is a real-time role playing game developed by FromSoftware in a beautiful world of fantasy action-RPGs. This game takes place in a role-playing game at its most original, as players are able to participate in online multiplayer and create their own characters with endless possibilities. The game unfolds through a multilayered story, narratively told in little pieces.

New Equipment: Through the use of a unique Customization System, players can freely and freely combine the weapons, armor and magic that they equip. Players can develop their characters according to their play style, such as increasing the strength of your muscles to become a strong warrior, or mastering magic.

A New World: A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected, with multiple paths and unexpected challenges.

The Shares System: Use this system to form tight-knit Groups consisting of up to 99 friends, with the ability to freely switch between 2, 3, 4, even 5 friends simultaneously, as well as invite others in your own group from within the game.
