The songs range from funny to some of the best Bollywood love songs I have ever seen. Aiswaraya Rai is absolutely stunning and charming. I'm from this movie too!! And a little more from her: in the film, Aisvaraya was gorgeous, even when she was pregnant. This film gives a chance to fall in love with a loved one, if not with him, but he gives a chance. If you fell in love with someone, then you will definitely feel it. This film gives you hope that there is a chance. This movie really gives that feeling. It's just incredible...and it was just amazing!! I can't tell you how much I love this movie, I just really love it.
