bane is batman, but a sadistic, psycho-sexual one. his mom was institutionalized because of his psycho-assassin tendencies, and the batman in the story doesnt really care about any of this. bane is intelligent, creative, cruel, and he hates batman for no apparent reason.

this is an action/adventure/thriller. it has a great plot, some awesome action, and a great twist at the end. if you like the batman comics, youll enjoy this book. if you dont like the batman comics, you wont enjoy this book.

these sites, so i cant give any details on how to get these books. please contact the site owner to find out how to download these books. but here they are in no particular order. i feel i should also mention that if you are thinking about buying this book, it will be cheaper to buy the ebook. the paperback can be found on the amazon site. the site does not currently offer the ebook versions for free download. in fact it is a little expensive. but if you are thinking about buying the paperback, the ebook versions can be downloaded for free. you can also have the ebook versions via your kindle app. i prefer the app because it allows you to have as many books as you like on your phone or tablet, but i feel the app is a little pricey. 5ec8ef588b
