Print and export PDF files Print, copy, or scan PDF documents. Seamlessly combine and circulate content on the desktop, in transit, and in your organization. Sign PDFs right in Adobe Reader. Share documents with anyone, including people who use free PDF readers. Export your printouts and sign documents on Windows-based PCs or Macs, including in Windows or macOS print dialogs. Get started with Acrobat XI Pro's new Easy Print function, a reliable, efficient, and easy way to print, email, and sign PDFs. In the desktop version, you can print, email, and sign PDFs right from the Adobe Reader interface. Present your content powerfully Embrace new ways of teaching and presenting information, games, and simulations. Create beautiful presentations that streamline the presentation process, deliver engaging multimedia in the same file format, and protect the identity of sources in your content. In Acrobat Pro DC, view, edit, and sign documents. Interact with PDF files as if they were Word or PowerPoint presentations. Share presentations with PDF viewers such as Adobe Acrobat, iBooks, Google Chrome, and Microsoft Edge. Follow presentation guidelines such as PDF/A, PDF/E, or PDF/X. Analyze and enhance your documents Study the connections between documents, spreadsheets, and presentations, get accurate reports and charts of any size, and work efficiently across your organization. Cleanly make sense of your complex PDF document collections with tools like Adobe Analytics, interactive data visualizations, and Adobe Acrobat Pro DC. Build reports for your presentations, and compare the performance of PDFs across a single document or across hundreds of documents. Create new layouts with Adobe InDesign CS5 or later. Bring content from your own Web pages and other documents into Acrobat Pro DC, and easily edit or convert PDFs to work with Acrobat Pro DC's powerful new features.
